

Age-Friendly Mecklenburg Initiative

HELP US IMPROVE THE QUALITY OF LIFE FOR SENIORS IN MECKLENBURG COUNTY!

Mecklenburg County Department of Social Services is working with several organizations to increase the public awareness regarding the future state of community services seniors need to remain active and independent as they age in place.

The Age-Friendly Mecklenburg Committee would like to share our Age Friendly Plan and updates with the Berean Seventh Day Adventist Church congregation. We will give an overview of our existing programs and services that exist throughout the county.

We would like your feedback on how we can better serve YOU!
